

Public Notices and Petitioning

The library provides public space for announcements and notices of local community events. The library also provides space for the distribution of free handouts, notices, and other materials which may be of interest to the community.

Public Notices: All notices, posters, and free literature must be approved by library staff. Items for posting must identify the organization and publicize a specific event that is open to the public. Religious and political events are permissible for informational purposes or special events; materials which have the primary effect to advocate for a single point of view will not be displayed.

Priority of space for posting and display will be given to the events and services of the Taylor Memorial Library, followed by Village of Taylor government notices and publications, and other government notices and publications.

Items unacceptable for library posting or display include but are not limited to:

- Items devoted to the sale, advertisement, solicitation, or promotion of products or services
- Campaign literature
- Personal notices or handouts

Staff may discard items not approved for placement and excess copies of any items received. Limited space allows only short-term notices. Posting of a community notice or display of free materials does not imply endorsement by library staff or the Board of Trustees.

Petitioning, Solicitation, or Distribution of Literature: Petitioning, solicitation, canvassing, surveying or distribution of literature by members of the public is not allowed within the library.
